GROUP FITNESS CLASSES DESCRIPTIONS

Aerobics For Everyone: A low-impact, high-energy class blending dance aerobics and strength training to boost coordination, stamina, and strength while protecting joints and improving mobility.

Balanced Flexibility: A full-body movement class focused on increasing flexibility, improving balance, and enhancing mobility.

Barre Blend: Combines core work, Pilates, yoga, and ballet to tone the upper body, firm legs, and sculpt hips.

Barbell Strong: Focuses on squats, deadlifts, presses, lunges, curls and more using a barbell plates and your body weight.

Body Sculpt: A toning routine utilizing dumbbells, body weight, steps, and bands for a full body workout.

Circuit Training: Mixes strength, cardio, and agility exercises with minimal rest for a dynamic, full-body workout using various equipment.

Core Fusion: Mat-based class blending yoga and Pilates to strengthen the core and back, enhancing mobility and stability.

Functional Interval Training: Combines strength, cardio, and core exercises in varied intervals for a complete workout.

Fit for ALL: Enhances strength, mobility, bone density, balance and flexibility for participants of all ages.

HIIT: High-intensity intervals with short recovery periods; requires ability to transition between standing and the ground.

Immersive Cycle: Experience an enhanced cycling workout with hill climbs and sprints, complemented by captivating videos, lighting, and music for a unique and engaging ride.

Introduction to Pickleball: Teaches the basics and fundamentals of pickleball with Coach Bryon. Ideal for newcomers to the sport.

Lengthen and Strengthen: Focuses on improving flexibility, joint stability, and muscle balance in a supportive, non-intimidating environment to build a resilient body.

Move & Groove: A full-body dance fitness class for all levels, combining energetic routines with lots of fun and movement.

Power Cycle: Intense bike drills including hill climbs and sprints to boost cardiovascular fitness.

Power Tone: Delivers a full-body workout using high-repetition, low-weight exercises blended with Pilates-inspired moves and balance training.

Restorative Yoga: Focuses on deep relaxation with slow-paced practice, long holds, stillness, and deep breathing to enhance physical, mental, and emotional well-being.

Sunrise Flow: Energizing yoga session for all levels, integrating breath and movement to start your day with vitality and calm.

Total Body Conditioning: Delivers a complete workout for all muscle groups with a mix of conditioning and strengthening exercises.

Vinyasa Yoga: Links movement and breath through a series of poses, offering a dynamic flow that provides a comprehensive body workout.

Yoga Sculpt: Vinyasa flow using hand weights and cardio to transition smoothly between restorative and intensive movements.

Zumba: Dance to high-energy Latin and international beats in a fun, fitness-focused party atmosphere.
