

Fall Enrichment Classes Session II 10/25-12/16

Homework Helpers

We provide a quiet work and study space for children who are assigned homework. Staff are available and happy to assist children with any questions they may have, and to facilitate a positive and supportive work environment. Upon completion of homework, children have access to board games, crafts, as well as indoor and outdoor free play.

***Offered M-Th 3:30 - 4:15 PM & 4:30 - 5:15 PM**

Lawrence Family

Jewish Culture

Mondays & Wednesdays

Games Extravaganza

Calling all kiddos with extra energy to burn!

In Games Extravaganza, participants get to play their favorite games and fun activities including Star Wars, Capture the Flag, Battle Ship, and many, many more! Each week the games will rotate and focus on developing physical skills from coordination, balance, gross-motor skills, and fine-motor skills.

***Offered Mondays & Wednesdays 3:30 - 4:14 PM & 4:30 - 5:15 PM**

Edible Science

Experiments so fun, children will gobble them up - literally!

Ready to dive into the exciting world of science? Classes are designed to explore a variety of scientific principles from molecules to states of matter to acids and bases and much more! With so many delectable experiments, the possibilities of fun are endless!

***Offered Mondays & Wednesdays 3:30 - 4:14 PM & 4:30 - 5:15 PM**

Karate

Martial Arts classes benefit children in many ways. Our structured classes help develop hand-eye coordination, physical fitness, confidence, and the opportunity to make new friends!

***Offered Mondays & Wednesdays**

Grades K-2: 3:30 - 4:15 PM, Grades 3-5: 4:30 - 5:15 PM

Tuesdays & Thursdays

Makers & Shakers

Future Etsy shop owners unite!

Does your kid love to make things? Let inspiration and passion spark in Makers and Shakers! This class is dedicated to teaching valuable skills and cultivating your child's artistic interests. From soap making to macrame to Shibori tie dye, our crafters will explore different paths to self-expression and take pride in their creations!

***Offered Tuesdays & Thursdays 3:30 - 4:14 PM & 4:30 - 5:15 PM**

Path to Pokemon Master

Become a battling master!

Classes are designed to promote camaraderie and sportsmanship between participants, while developing trading card game dueling strategies. Learn how to create your deck, proper card care, how to play with different battle styles while exploring different dimensions of game play, and how to trade your cards. At the end of the session, trainers return to you with boosted self-confidence, and a deeper understanding of the game.

***Offered Tuesdays & Thursdays 4:30 - 5:15 PM**

J*Stars Soccer

The J Stars Youth Soccer program is back! Players will learn the basic skills, rules, strategies, and the cooperation necessary for playing in an organized soccer setting.

***Offered Tuesdays & Thursdays**

Grades K-2: 3:30 - 4:15 PM, Grades 3-5: 4:30 - 5:15 PM
